

SPECIAL NOTE

We recommend that before using products in full scale production, the customers should make his own tests to determine the suitability of our products for his own purpose under his operating conditions . As the circumstances under which our products are stored, handled and used are beyond our control, we can not assure any responsibility for their use by the customer. Inspite of the aforementioned specific instruction, if the customer uses our products in full scale production without prior tests, sustains and proves to us that he has sustained loss due to deficiency in quality of the goods supplied, our liability is limited to the value based on purchase price of the quantity of our goods actually used. Submission of claim does not absolve the customers of the obligation to pay the amount due.

On environmental protection grounds, we are sometimes forced to change dyes and dyeing process. For these reasons and in spit of maximum efforts on our part there is a slight possibility of minimal colour difference.
